

## **SGX welcomes Libra Group to Catalist**

Singapore Exchange ("SGX") welcomed the listing of Libra Group Limited ("Libra Group") today on Catalist, under the stock code "5TR".

With 13 years of track record in the industry, Libra Group is an established mechanical and engineering solutions provider offering services such as installation of air-conditioning and mechanical ventilation ("ACMV") systems, fire alarms, fire protection systems, electrical systems, and sanitary and plumbing systems as a sub-contractor. It is also one of the three largest manufacturers of ACMV ducts in Singapore.

Mr. Chu Sau Ben (朱振銘), Executive Chairman of Libra Group said: "We are delighted with our successful listing today on SGX today. This is a significant milestone in the Group's history and it marks the beginning of a new phase for Libra, providing us with a platform for future growth. We would like to thank our partners at the Singapore Exchange for assisting us in achieving this milestone."

"We are pleased that Libra Group has chosen to list on Catalist to take their business to the next level of growth. Catalist has been the preferred platform for growth companies to raise capital and increase their business profile. The listing of Libra Group adds to SGX's strength in the manufacturing sector and investment choices for our global investor base," said Mr. Lawrence Wong, Head of Listings at SGX.

The listing of Libra Group brings the total number of Catalist companies to 136.
