Forward Looking Statements

This presentation may contain forward-looking statements that involve assumptions, risks and uncertainties. Statements in this presentation that are not historical facts are statements of future expectations with respect to the financial conditions, results of operations and businesses, and related plans and objectives. These forward-looking statements are based on SGX's current intentions, plans, expectations, assumptions and views about future events and are subject to risks, uncertainties and other factors, many of which are outside SGX's control. Because actual results, performance or events could differ materially from SGX's current intentions, plans, expectations, views and assumptions about the future, such forward-looking statements are not, and should not be construed as a representation as to future performance of SGX. It should be noted that the actual performance of SGX may vary significantly from such statements.

This presentation is being made available to certain authorised recipients for their general information only.

While SGX and its affiliates have taken reasonable care to ensure the accuracy and completeness of the information provided in this presentation, they will not be liable for any loss or damage of any kind (whether direct, indirect or consequential losses or other economic loss of any kind) suffered due to any omission, error, inaccuracy, incompleteness, or otherwise, any reliance on such information. Neither SGX nor any of its affiliates shall be liable for the content of information provided by or quoted from third parties. Examples provided are for illustrative purposes only. The information in this presentation is subject to change without notice.

Any recirculation, transmission or distribution of this presentation or any part thereof by any third party requires the prior written permission of SGX. SGX and its affiliates disclaim all responsibility and liability arising in connection with any unauthorised recirculation, transmission or distribution of this presentation or any part thereof.

Questions and Answers

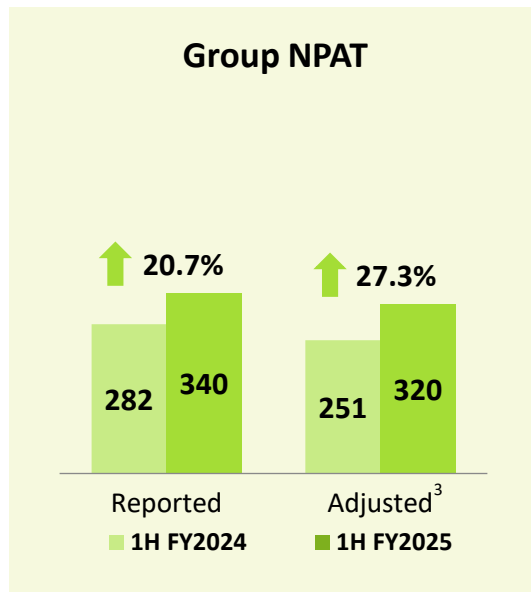

1H FY2025

Financial Highlights and Performance

Daniel Koh, Chief Financial Officer

1H FY2025 Highlights

- Strong 1H FY2025 results with highest half year operating revenue and NPAT¹

¹ NPAT relates to 'Net profit attributable to equity holders of the Company'.

² Net revenue refers to operating revenue less transaction-based expenses. Expenses are on an adjusted basis and exclude amortisation of purchased intangible assets and other one-off adjustments.

³ Adjusted NPAT excludes certain non-cash and non-recurring items that have less bearing on SGX's operating performance. Hence, they better reflect the Group's underlying performance.

⁴ Margins are calculated against net revenue.

Adjusted figures are non-SFRS (I) measures. Please refer to Section 7 of our financial results for reconciliations between the adjusted and their equivalent measures.

Note: All figures in \$ millions unless otherwise stated and may be subject to rounding

Broad-based growth across all revenue segments

- Cash equities SDAV up 31.2% driven by elevated investor interest and investment flows
- Derivatives DAV up 20.1% on broader client participation amidst global market volatility

¹ Derivatives revenue includes Equity Derivatives (EQD), Currencies and Commodities futures and options trading and clearing revenue and associated treasury income.

Note: All figures in \$ millions unless otherwise stated and may be subject to rounding

Changes in disclosures from FY2025

- Net revenue reporting for better comparability across peers
- Impact of constant currency for revenue, expenses, and operating profit

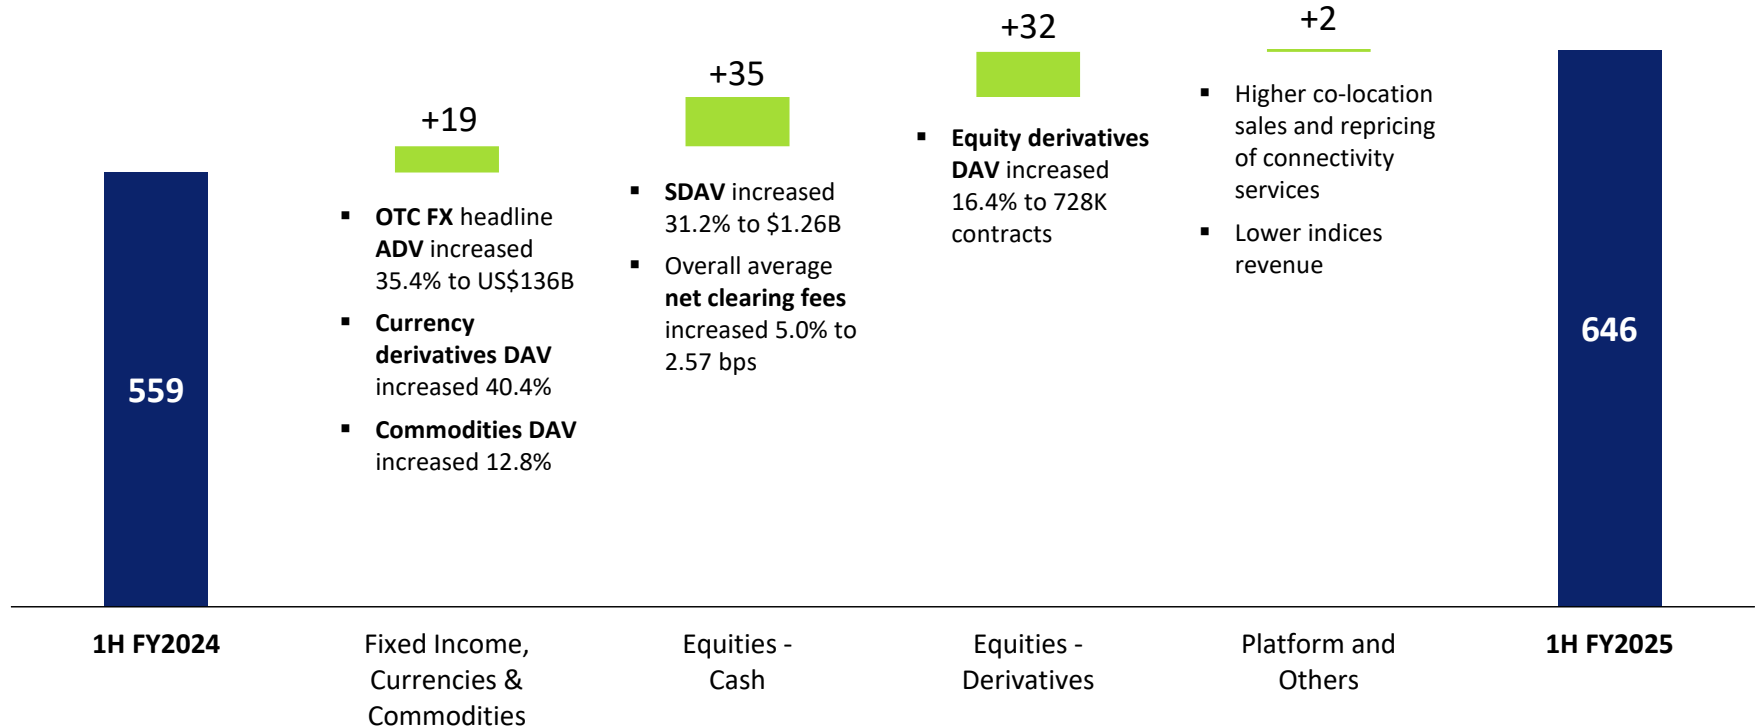

Income Statement – Group	1H FY2025 \$'000
Operating revenue	682,227
Less: Transaction-based expenses ¹	(35,868)
Operating revenue less transaction-based expenses (Net Revenue)	646,359

¹ Please refer to Section 13 of our financial results for the allocation of transaction-based expenses across operating segments.

1H FY2025 Net Revenue up 15.6% to \$646M

- Effective execution of multi-asset strategy amidst tailwinds from macro events

1H FY2025 Total Adjusted Expenses comparable

- Maintained cost discipline
- FY2025 expenses expected to be at lower end of 2-4% increase guidance
- FY2025 CAPEX expected to come in at lower end of \$70M-\$75M guidance

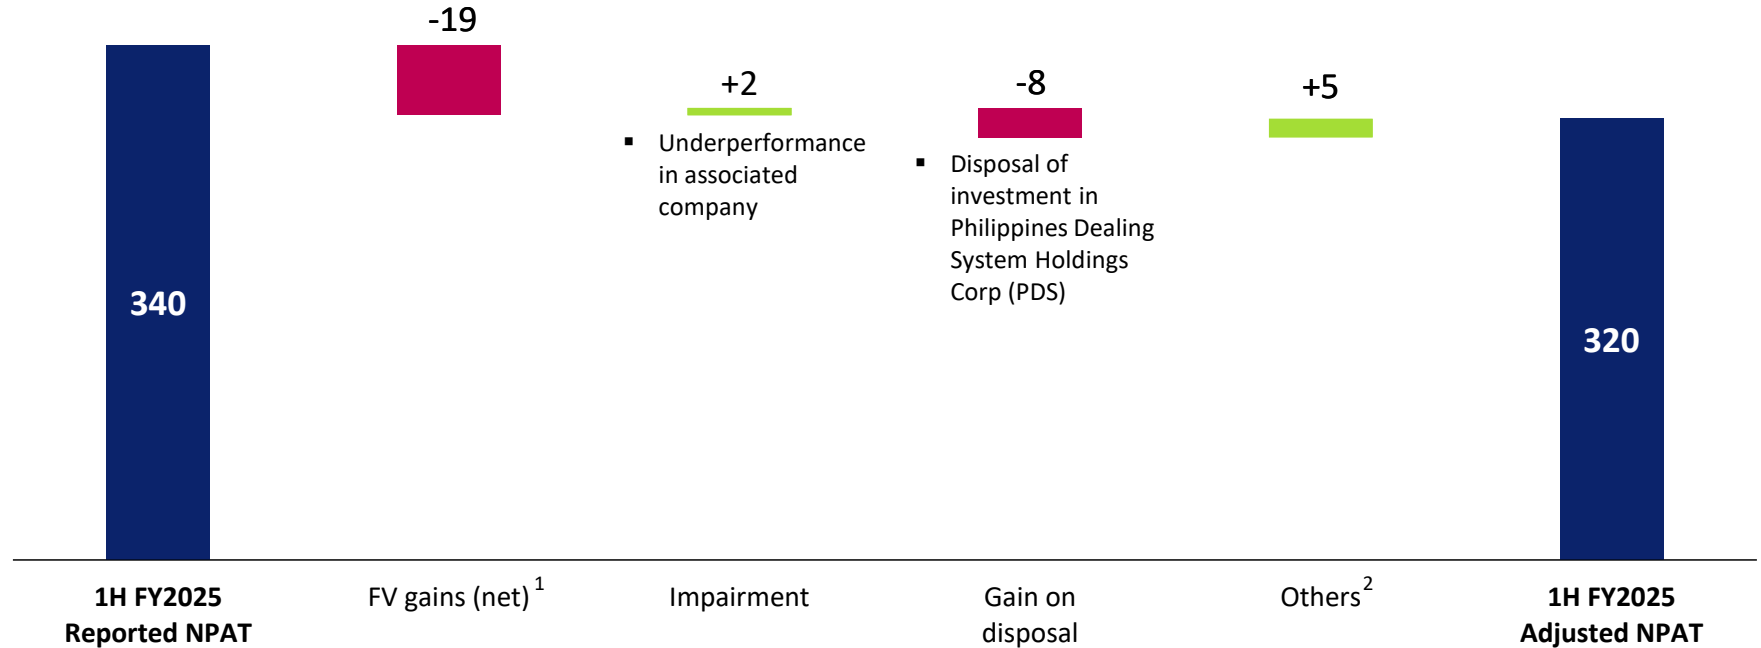

¹ Adjusted expenses exclude amortisation of purchased intangible assets and other one-off adjustments.

Adjusted figures are non-SFRS (I) measures. Please refer to Section 7 of our financial results for reconciliations between the adjusted and their equivalent measures.

Note: All figures in \$ millions unless otherwise stated and may be subject to rounding

Adjusted NPAT excludes non-cash and one-off items

¹ Comprises mainly (i) FV gains on investments in 7RIDGE Fund, a closed-end fund managed by 7RIDGE, that acquired global trading software provider Trading Technologies; (ii) gain on changes in interest in MarketNode; and (iii) FV gain on investment in Freightos.

² Also includes associated income tax adjustments, and amortisation of purchased intangible assets.

Adjusted figures are non-SFRS (I) measures. Please refer to Section 7 of our financial results for reconciliations between the adjusted and their equivalent measures.

Note: All figures in \$ millions unless otherwise stated and may be subject to rounding

Strong balance sheet with healthy leverage ratios

- Aa2 rating reaffirmed by Moody's in November 2024 with a stable rating outlook

¹ Gross Debt as at 31 December 2023 and 31 December 2024 for 1H FY2024 and 1H FY2025 respectively, and includes both borrowings and lease liabilities.

² Defined as Gross Debt divided by EBITDA for last 12 months.

³ Defined as EBITDA net of rental expenses, divided by interest (which includes both cash and non-cash expenses).

Note: All figures in \$ millions unless otherwise stated and may be subject to rounding

Delivering shareholder returns

- Quarterly dividend of 9.0 cents per share, bringing total dividends for 1H FY2025 to 18.0 cents per share
- Dividend growth in line with our target of growing dividend per share at mid-single digit % CAGR in the medium term¹

¹ Subject to earnings growth.

² Adjusted figures presented are non-SFRS (I) measures. Please refer to Section 7 of our financial results for reconciliations between the adjusted and their equivalent measures.

Note: All figures in \$ millions unless otherwise stated and may be subject to rounding

Business Update

Loh Boon Chye, Chief Executive Officer

SGX FX: Upward Trajectory

FX Derivatives
